Mr. Richard Irvine,
WED Enterprises, Inc.,
300 Sonora Avenue,
Glendale 1, California.

Dear Mr. Irvine:

I have just talked with Mr. Bob Miller of the Ford Motor Company who, because of our association through the years and his knowledge that our company is a reputable organization, has suggested that I write you offering our services as a sub-contractor or as a Detroit source on any of the Ford World's Fair job that you may sub-contract.

The Mechanical Displays Corporation is what I like to call, a "machine shop" to the display field. Our shop is equipped and has the personnel to work in metals, hydraulics, electronics, animation, etc. We have cut-away, for example, hundreds of engines, transmissions, differentials, etc., for Ford and other car makers. We do the unusual in displays.

It may be that you will want to build part or parts of the Ford World's Fair exhibit in Detroit under the eyes of the Ford Motor Company; if so, an arrangement can be made to utilize our facilities.

If there is any way Mechanical Displays can serve you, please feel free to call on me.

Yours very truly,
MECHANICAL DISPLAYS CORPORATION

Mr. L. C. Dunleavy
Mechanical Displays Corporation
828 Woodward Heights Blvd.
Ferndale 20, Michigan

Dear Mr. Dunleavy:

This is to acknowledge your letter of January 12th in regards to the services your company would like to perform in reference to the Ford World's Fair project.

We will be working very closely with Bob Millar of the Ford Motor Company and will keep your company in mind as work becomes more clearly defined.

Sincerely yours,

WED ENTERPRISES, INC.
