Memo to: D. P. Evans
Special Events Manager
Public Relations and
Promotions Office
Ford Division

As per our telephone conversation this date, this is to confirm our intention to transfer ownership of a full-scale replica of the 1909 Ford racing car from the World's Fair Program Office to your office at Ford Division.

It is our understanding that this car will be used for future exhibit commitments and in doing so the car will be identified as a reproduction of the original model.
