Dear Guba - and all my boys -

Friday night - worked till
8:00 tonight. Walt is here and
will look at all the shows
tomorrow so another 6:30
call. Lots to do, get up
go to work, back to hotel and
to bed. - no New York, - but
it's fun - Clarence Coates,
Ken O'Connor came in
last night with Walt. They
had been to Heuston and the
Cape Canaveral. Interesting
stories. Six days and home

will look good. Could he'll

that later. Will hear and

Happy Easter - save some
eggs for me, write, and
the good girl and boys -

all my love, Ken

the day at Honey Land.
